

# SABAH SOFTWOODS HYBRID FERTILISER SDN. BHD

## Hybrid

**RealStrong**  
AgriCulture Innovation

### MATANG PLANTATIONS SDN BHD

**Owner:** Mr. Hong Nyuk Ngen

**Fertilizer:** RS 5:5:5, MPOB F4 Premium, K Neutralizer

**Duration:** 1 year of using RealStrong

**Area:** 100 acres

**Crop:** Oil Palm

### Customer's feedback:

- The owner are very satisfied with the result of using Realstrong fertilizer.
- Earthworms can be detected near fertiliser application spot which this indicates good soil fertility in the farm.
